## IMPORTANT INFORMATION

### TIMEFRAME

Applications must be made within three months after the benefit is provided, or within such period (not more than two years after the benefit is provided) as the authority allows.

### PROOF OF PAYMENT OF LONG SERVICE LEAVE BENEFIT BY EMPLOYER

QLeave is only able to reimburse employers after the long service leave has been paid to the worker. In order for a reimbursement to proceed, proof that the long service leave payment has been made is required. A copy of a payslip or other documentary evidence confirming the payment may also be submitted to QLeave. Failure to do so will result in the claim being returned.

The portable long service leave scheme complements, but does not replace an employer's obligation to pay workers long service leave under the *Industrial Relations Act 2016*.

However, employers may apply to QLeave for a partial or full reimbursement if they have paid a worker long service, and the worker has service recorded with QLeave.

### MAXIMUM RATE

A maximum wage rate applies. Details of the current maximum rate are available from QLeave or [www.qleave.qld.gov.au](http://www.qleave.qld.gov.au)
